Conditions that harm their health and safety. Many do not have shelter, a basic human need for survival. This social issue also goes beyond the 25% of the population directly affected.

Common Examples of Social Issues

Social issues are the source of a conflicting opinion on the grounds of what is perceived as morally correct or incorrect personal life or interpersonal social life decisions. Social issues are distinguished from economic issues; however, some issues (such as immigration) have both social and economic aspects. There are also issues that do not fall into either category, such as warfare. There can be

Social issue - Wikipedia

As you'll recall, the industrial revolution of the nineteenth century gave rise to a number of unforeseen ethical and social issues—for instance, concerns about workplace safety, wages, discrimination, and child labor—which led to real changes in worker protections, labor practices, and law. Similarly, the technology revolution of the twentieth century—starting with the widespread use of the Internet and home computers—has spawned a new set of ethical and social concerns that ...
