Soucouyant by David Chariandy - Goodreads
David Chariandy is a brilliant young writer whose novel, "Soucouyant", is tender and beautiful, but also as tough and craggy and precipitous as the Scarborough Bluffs where it is set. "Soucouyant" is about the disintegration of a mother's life, witnessed and described by her son with a compassionate accuracy, a man in the drifting soul of a woman.

backdrop of simmering violence during the summer of 1991. One sweltering summer in the Park, a housing complex outside of Toronto, Michael and Francis are coming of age and learning to stomach the careless prejudices and low expectations that confront them as young men of black and brown ancestry. While their Trinidadian single mother works double, sometimes triple shifts so her boys might fulfill the elusive promise of their adopted home, Francis helps the days pass by inventing games and challenges, bringing Michael to his crew's barbershop hangout, and leading escapes into the cool air of the

Rouge Valley, a scar of green wilderness where they are free to imagine better lives for themselves. Propelled by the beats and styles of hip hop, Francis dreams of a future in music. Michael's dreams are of Aisha, the smartest girl in their high school whose own eyes are firmly set on a life elsewhere. But the bright hopes of all three are violently, irrevocably thwarted by a tragic shooting, and the police crackdown and suffocating suspicion that follow. Honest and insightful in its portrayal of kinship, community, and lives cut short, David Chariandy's *Brother* is an emotional tour de force that marks the

Chariandy looks both into his heart and mind and out to the world and humanity. In the tradition of Ta-Nehisi Coates and Chimamanda Ngozi Adichie, this is a book about race; this is a book about family.

Critical Perspectives on David Chariandy considers new aspects of the author's novels, such as reparatory postcolonial aural transmission, middlebrow reception, animality, and myth in multidirectional cultural affiliation. It brings a fresh gaze on themes of memory, history, trauma, myth, second-generation issues.

the topic of slavery, most people do not know that slavery existed in Canada, because slave trade mostly took place in the larger Atlantic Ocean and America. Therefore it was suppressed from Canadian's history, even if it is very much a part of it. The novel Soucouyant by David Chariandy, published in 2007, picks out main topics as forgetting and remembering, trauma, dislocation, family but also racism as a central theme. However, I want to emphasize on all these themes in the subsequent chapters - whereas the topic of family will be on the fringes. Also, I would like to present how racism in Canada

developed and how a traumatic event is processed in one's mind. For the illustration of these subjects, I will use the novel *Soucouyant*, as well as *The Hanging of Angélique* - but will mostly concentrate on *Soucouyant* because it allows a great deal of interpretation in the context of themes as racism, memory and trauma.

Wild Geese caused a sensation when it was first published in 1925. To a generation bred on sentimental escapist literature, the idea of a heroine as wild as a bronco and as fiery as a tigress was nothing short of

revolutionary. In the character of Judith Gare, Martha Ostenso had painted so naked and uncompromising a portrait of human passion and need that it crossed all bounds of propriety and convention. Today, *Wild Geese* is widely recognized as a milestone in the development of modern realist fiction. Set on the windswept prairies, it is a story of love and tyranny, of destruction and survival, told with vigour and lyric beauty. It is also a poignant evocation of loneliness, which, like the call of the wild geese, is beyond human warmth, beyond tragedy, "an endless quest."
