Hot stone massage is a unique variant of massage therapy that employs heated stones to release physical tension and calm the nervous system. The stones' warmth and weight help the recipient focus more intently on the massage, and to be more receptive to its benefits. This superb introduction explains everything about this ancient healing practice, from which stones to choose (color, smoothness, shape, and mineral content matter) to which strokes to use. Along with attractive instructional photos throughout, there's information on setting up the massage, working different parts of the body, stimulating the chakra points, and alleviating specific symptoms—including muscular aches, back pain, arthritis, circulatory

but also enhances lymph flow, removes toxins, and fortifies the immune system. The treatment causes blood vessels to dilate, leading to improved circulation and consequently improved oxygen, nutrient, antibody, and protective cell supply to the area of the body under the stones and is extremely effective for joint problems, back pain, and sore muscles. Beyond the strictly physical benefits, the massage also stimulates the meridians and chakras, gently dissipating energetic blockages. This book provides step-by-step, fully illustrated instructions for treatments for each area of the body. The authors then include details on the specific healing powers of 54 gemstones, showing how to further enhance the benefits of hot stone massage

with gemstone chakra treatment. For instance, in facial massage, working with amethyst can alleviate headaches and help heal skin blemishes. They also describe the therapeutic benefits of several base and essential oils and recommend specific combinations for hot stone massage. The power of the stones, the warmth of the treatment, and the massage itself unite in this holistic therapy to provide deep relaxation and calm that recharges the body and soul.
