In Buddha Mom, Jacqueline Kramer beautifully illuminates the ways in which motherhood can be woven with the spiritual life. Drawing upon her twenty years as a practicing Buddhist, as well as many other wisdom traditions from around the world, she offers powerful insights into cultivating a more spiritual attitude toward parenting. In chapters, guided by central Buddhist themes-Simplicity, Nurturance, Joyful Service, Unconditional Love-Kramer's personal experience of pregnancy, birth, and then raising her daughter to adulthood serves as a guide to integrating the roles of parent and spiritual being. A celebration of all that motherhood can be, Buddha Mom presents an inspiring vision of child rearing.

Celebrated doula, healer, yoga teacher, and parenting coach Lori Bregman brings a holistic guide to being a more balanced, authentic, and joyful mother. Introducing the "five expressions of motherhood"-Action Mama, Flow Mama, Rebel Mama, Vulnerable Mama, and Free Mama-Lori offers supportive advice, exercises, meditations, and yoga practices to cultivate a healthy balanced life and stronger bonds. Accessible and encouraging, Mamaste provides foundational tools for parenting, relatable examples, and exercises to build self-awareness and mindfulness. Guiding new mothers along a journey of self-discovery, these practices ultimately lead to a more enriching and contented experience for both mother and child. Packaged in an inviting paperback and filled with nurturing advice, Mamaste is essential for any expecting or new parent.

The first of its kind, this book will show mothers-to-be how to create an authentic practice of mindfulness to prepare for pregnancy, labour, birth and the early parenting years. Full of gems and aha moments using simple and helpful tools and practices to keep you connected to yourself while looking after your family' Nadia Narain, Head of Pregnancy Yoga, Triyoga, London 'This is a book I highly recommend to mothers and mothers-to-be. It is like an insightful friend who understands deeply what becoming and being a mother really means' Janet Balaskas, Founder of Active Birth Chunal offers unparalleled support along with clear and simple meditation and self-development practices based on Buddhist and yogic philosophy to help cultivate a daily practice of mindfulness, which will enable you to be more present during pregnancy, birth and beyond. Having a child has the potential to awaken your heart and bring infinite joy, wonder and delight into your life. Yet when you become a mother, alongside immense delight and excitement, you may also feel a great deal of internal turmoil and confusion, as well as a change or lack of sense of identity. Organised into clear, thematic sections, this book can be dipped into for emergency inspiration or read from cover to cover. It explores common mothering dilemmas with honesty and integrity, helping you to keep both feet firmly on the ground. Issues include: adjusting to having minimal personal time and space, coping with in-laws, managing the balance between work and home, finding stimulation within an often tedious home routine, and dissolving doubts and comparisons with other seemingly happy families. Most of all, The Mindful Mother teaches you to understand your true nature, so your mind is working with you, rather than against you.

A "Mom Must-Read"-Parents A National Parenting Product Award (NAPPA) Winner Easy-to-follow practices that will help moms find quick, daily opportunities to reset and refocus with mindfulness Moms can feel as if they are sprinting through life, crashing onto the pillow at day's end only to start again the next morning. In Breathe, Mama, Breathe, psychotherapist Shonda Moralis outlines the benefits of daily meditation and shows moms how to do it-in just five minutes! Plus, she shares over 60 "mindful breaks" that will help moms tune into their own well-being (along with everyone else's): Eat a mindful breakfast-with no phone, TV, or newspaper! Cuddle your child and take three deep breaths together. Give yourself a mindful-mommy high five-because moms can use positive reinforcement, too. Every mom-whether caring for a new baby, an overscheduled grade-schooler, or an angsty teen-can become a mindful mama!

For any mom who typically runs around with her hair on fire and needs a break! It's so easy to find yourself constantly overwhelmed or burned out in the hustle and bustle of society today. But it is important to slow down and take a minute to focus on the things that matter most-and the first step is to connect with yourself again. This book will show women that by caring for themselves first, they can better care for everyone they love. In her first book, Ali has woven together a compilation of all the tools she used to transform herself from "hot mess" to "mindful mom," and is divided helpfully into three parts: • Everyday practices • Tools used as needed • Attitude adjustments made along the way Readers will learn how small tweaks and changes can lead to huge results, and that they too can leave stress behind in favor of calm and peace. With humor, grace, and an extremely relatable manner, Ali gives women the tools to make the same changes in their own lives.
