Love at first sight - based on the true story  
of one girl and her 'train man'... One very  
ordinary day, Maya Flowers sees a new  
commuter board her train to London, and

suddenly the day isn't ordinary at all. Maya knows immediately and irrevocably that he is The One. Every day they go through the same routine; he with his head in a book and her dreaming of their happily-ever-after. But eventually, Maya plucks up the courage to give Train Man a note asking him out for a drink. And so begins a story of sliding doors, missed opportunities and finding happiness where you least expect it. Based on the true story that everyone is talking about, The Note is an uplifting, life-affirming reminder that taking a chance can change everything... Perfect for fans of

The illustrated story of a lonely alien sent to observe Earth, where he meets all sorts of creatures with all sorts of perspectives on life, love, and happiness, while learning to feel a little better about himself—based on the enormously popular Twitter account. Here is the unforgettable story of Jomny, an alien sent to study Earth. Always feeling apart, even among his species, Jomny feels at home

for the first time among the earthlings he meets. There is a bear tired of other creatures running in fear, an egg struggling to decide what to hatch into, a turtle hiding itself by learning camouflage, a puppy struggling to express its true feelings, and many more. The characters are unique and inventive—bees think long and hard about what love means, birds try to eat the sun, nothingness questions its own existence, a ghost comes to terms with dying, and an introverted hedgehog slowly lets Jomny see its artistic insecurities. At the same time, Jomny's curious presence allows these

characters to open up to him in ways they were never able to before, revealing the power of somebody who is just there to listen. Everyone's a Aliebn When Ur a Aliebn Too is also the story behind the widely-shared and typo-filled @jonnysun twitter account. Since the beginning, Sun intentionally tweeted from an outsider's perspective, creating a truly distinct voice. Now, that outsider has taken shape in the character of Jomny, who observes Earth with the same intelligent, empathetic, and charmingly naïve voice that won over his fans on social media. New fans will find it

organic, and old fans will delight at seeing the clever words that made them fans in the first place. Through this story of a lost, lonely and confused Alien finding friendship, acceptance, and love among the animals and plants of Earth, we will all learn how to be a little more human. And for all the earth-bound creatures here on this planet, we will all learn how sometimes, it takes an outsider to help us see ourselves for who we truly are.
