Teachers and parents! Struggling with distance learning? Our Teacher Edition on The Story of Tom Brennan can help. Daniel and Tom had once been an unstoppable pair on the rugby field and often led their school, St. John's, to victory. However, in the months before the accident, Daniel's mean streak ...

~~The Story of Tom Brennan~~ by J. C. Burke Plot Summary---

The Story of Tom Brennan is a 2005 Australian young adult novel written by J. C. Burke. It was named as book of the year for older readers by the Children's Book Council of Australia. The story follows Tom Brennan, a 17-year-old boy known for his football skills. An accident involving his brother forces the family to move towns, and the novel shows the various Brennan family members changing after the accident and how it affected them.

~~The Story of Tom Brennan~~ – Wikipedia

J.C. Burke's novel, "The Story of Tom Brennan" reads like a recipe for "how to write a novel that will be read in high schools." In a thinly-veiled attempt to harness a male readership, the author throws in poorly designed Rugby scenes and moments in which boys perv on girls in their swimwear, all shrouded with "Aussie male" slang and fragmented sentences.

~~The Story of Tom Brennan~~ by J.C. Burke – Goodreads

Tom Brennan Tom is the seventeen-year-old protagonist of the novel. Though Tom has spent most of his life overshadowed by his older brother, Daniel, the two have always been close. Both love rugby and, growing up... read analysis of Tom Brennan

'The Story of Tom Brennan' weaves the past into the present, a sense of Tom's loss never being far away. But Tom is a survivor. He loves his brother Daniel regardless of what he did that night and is glad his brother lived. But as much as Daniel, Tom needs a ticket out of the past and through his journey he finds it in many ways.

~~The Story Of Tom Brennan~~ — J.C. Burke

The Story of Tom Brennan by J.C. Burke starts with a fatal car accident – a young driver who's had too much to drink goes too fast and in an instant two of his friends are dead and his cousin is left with permanent spinal injuries. But the book isn't about the car crash; it isn't even about the driver. This is a book

Mechele is young, attractive, and looking to cash in on her aesthetic assets when she moves from New Orleans to Alaska in 1994 to earn money for college tuition. Her charms ensnare the affections of three men, and the combined effects of jealousy, lust, and greed take a deadly turn in this true crime story. Before a murder in the woods shatters her contented life, Mechele works as an exotic dancer at the Alaska Bush Company, where she spends her days pleasing a procession of hard-working men. John, Scott, and Kent are simultaneously smitten with Mechele, and offer affection in the form of lavish gifts and ultimately engagement rings. While the three men begin their affairs on the same path, violent murder blasts apart their parallel lives. One of the trio is shot in the back; another is accused of the murder. Dead Man's Dancer follows this murder case from 1996 throughout Mechele's tumultuous trial in 2006 that becomes a nationwide sensation. Shocking in its detailed portrayal of murder and convoluted love affairs, Dead Man's Dancer excites horror in readers that lingers far after the last page is turned.

Bering Sea villagers raid a foreign trawler fleet...a mysterious explosion rocks Juneau...a state ferry fires a bowling ball at a cruise ship...and a beautiful ex-newswoman takes off her clothes to defuse a tense standoff between state and federal troops. The time is the not-too-distant future. The whole world is watching. A new President is rewarding environmentalists who put her into the White House. She imposes harsh new federal controls on the northern state, and Alaskans are losing jobs, personal freedoms – even their lives. Their anger at bureaucrats and politicians in Washingtons DC is growing by the day. As a rebellion spreads, Governor Jimmy Pender tries to calm the rebels. He recruits Colin Callihan, a disillusioned geologist who has retreated into a boozy haze after the death of his wife in a plane crash. But it is too late for peacemaking. Events quickly spin out of control, and Callihan finds himself leading a secessionist movement he was hired to stop. Adventure, romance, humor, and politics run amok in this tense novel that rushes to an unexpected conclusion like a wild wave crashing onto a rocky Alaska shore.

Drawn from police files, eyewitness accounts, and news reports, these stories introduce extreme criminals in an extreme land.

DEAD MAN RUNNING Sentenced to death for crimes he didn't commit, ex-cop Tom O'Brien is now a hunted fugitive. After fifteen years in prison, he's determined to prove his innocence—but first he must convince his daughter, whose testimony helped put him behind bars, that he has damning evidence of a plot to frame him. Claire is no longer the naïve teenager who arrived home to find her mother and her mother's lover shot dead and her father holding the murder weapon. She's a successful fraud investigator who assumes everyone lies. Though Claire is convinced of her father's guilt, curiosity propels her to look into the disappearance of a law student who claimed to have proof of Tom's innocence. But seeking answers only leads to more questions, reinforcing Claire's belief that there's no one left to trust. Obsessed with the O'Brien case, FBI agent Mitch Bianchi befriends Claire under false pretenses, certain that Tom is not only innocent but in grave danger—and not just from the cops. As the three race toward the truth, a murderous conspiracy tightens its noose—and Claire becomes the target of an ice-cold psychopath who will kill to protect his secrets.

A complex and riveting tale of deceit and murder unfolds in this repackaged of the thirteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). John Lowery was declared dead in 1968—the victim of a Huey crash in Vietnam, his body buried long ago in North Carolina. Four decades later, Temperance Brennan is called to the scene of a drowning in Hemmingford, Quebec. The victim appears to have died while in the midst of a bizarre sexual practice. The corpse is later identified as John Lowery. But how could Lowery have died twice, and how did an American soldier end up in Canada? Tempe sets off for the answer, exhuming Lowery's grave in North Carolina and taking the remains to Hawaii for reanalysis—to the headquarters of JPAC, the U.S. military's Joint POW/ MIA Accounting Command, which strives to recover Americans who have died in past conflicts. In Hawaii, Tempe is joined by her colleague and ex-lover Detective Andrew Ryan (how "ex" is he?) and by her daughter, who is recovering from her own tragic loss. Soon another set of remains is located, with Lowery's dog tags tangled among them. Three bodies—all identified as Lowery. And then Tempe is contacted by Hadley Perry, Honolulu's flamboyant medical examiner, who needs help identifying the remains of an adolescent boy found offshore. Was he the victim of a shark attack? Or something much more sinister?

A sweeping insider look at the life of William Brennan, champion of free speech and widely considered the most influential Supreme Court justice of the twentieth century Before his death, William Brennan granted Stephen Wermiel access to volumes of personal and court materials that are sealed to the public until 2017. These are what Jeffrey Toobin has called "a coveted set of documents" that includes Brennan's case histories—in which he recorded strategies behind all the major battles of the past half century, including Roe v. Wade, affirmative action, the death penalty, obscenity law, and the constitutional right to privacy—as well as more personal documents that reveal some of Brennan's curious contradictions, like his refusal to hire female clerks even as he wrote groundbreaking women's rights decisions; his complex stance as a justice and a Catholic; and details on Brennan's unprecedented working relationship with Chief Justice Earl Warren. Wermiel distills decades of valuable information into a seamless, riveting portrait of the man behind the Court's most liberal era.

An unmissable novel from the award-winning author of The Story of Tom Brennan. On Damon Styles's eighteenth birthday, he is expelled from school. But it's what happens afterwards that changes everything. Now Damon must come up with a plan. It's the only way he can think straight. First, get his firearms licence. Then, see if the Pigman will give him a job - pig hunting will teach Damon what he needs to know. And he'd better

get a lock for his wardrobe so his mother won't find what he's hiding. Damon's taking matters into his own hands - but so is the town of Strathven. A confronting, powerful story for young adults in the vein of J.C. Burke's CBCA award-winner The Story of Tom Brennan.
