One night can change everything. Abby Banks put her healthy, happy infant son to sleep, but when she awoke the next morning, she felt as though she was living a nightmare. Her son, Wyatt, was paralyzed. There was no fall, no accident, no warning. A rare autoimmune disease attacked his spinal cord, and there was no cure. In an instant, all her hopes and dreams for him were wiped away. The life she envisioned for her family was gone, and she was frozen by the fear of a future she never imagined. As she struggled to come to grips with her son's devastating diagnosis and difficult rehabilitation, she found true hope in making a simple choice, a choice to love anyway—to love her son, the life she didn't plan, and the God of hope, who is faithful even when the healing doesn't come. In Love Him Anyway, Abby shares her family's journey from heartbreak to triumph and reminds us that hope and joy can be found in life's hardest places.

I'm being pulled in a thousand different directions. As a therapist, Chuck DeGroat hears that line all the time. "I hear it from students and software developers," he says. "I hear it from spiritual leaders and coffee baristas. And I hear it from my own inner self." We all feel that nasty pull to and fro, the frantic busyness that exhausts us and threatens to undo us. And we all think we know the solution — more downtime, more relaxation, more rest. And we're all wrong. As DeGroat himself has discovered, the real solution to what pulls us apart is wholeheartedness, a way of living and being that can transform us from the inside out. And that's what readers of this book will discover too.

"Stunning" short stories by the National Book Award-winning author of The Lone Ranger and Tonto Fistfight in Heaven (The Atlanta Journal-Constitution). In this bestselling volume of stories, National Book Award winner Sherman Alexie challenges readers to see Native American Indians as the complex, modern, real people they are. The tender and tenacious tales of The Toughest Indian in the World introduce us to the one-hundred-eighteen-year-old Etta Joseph, former co-star and lover of John Wayne, and to the unnamed narrator of the title story, a young Indian journalist searching for togetherness one hitchhiker at a time. Countless other brilliant creations leap from Alexie's mind in these nine stories. Upwardly mobile Indians yearn for a more authentic life, married Indian couples push apart while still cleaving together, and ordinary, everyday Indians hunt for meaning in their lives. The Toughest Indian in the World combines anger, humor, and beauty into radiant fictions, fiercely imagined, from one of America's greatest writers. This ebook features an illustrated biography including rare photos from the author's personal collection.

Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God--Is he real? Why are Christians so unlike Jesus? Does he really care about me?--Bruce Bickel and Stan Jantz don't pretend to have all the answers. But they do know how to wrestle with doubt. They welcome questions, and in these pages they ask some of the most important ones you have about God and the Bible. With candor, insight, and a disarming touch of humor, they provide some answers to these critical questions, yet they leave enough space--and grace--for you to keep wrestling, asking, and seeking Truth. There is no shame in asking--after all, even some of the greatest men and women in the Bible had doubts. Don't let your questions go unanswered. What you find might just change your life.
