Freeride windsurf boards are the most popular. These boards are perfect for intermediates and advanced windsurfers and provide a great deal of speed with higher winds. Weighing less and offering less width than beginner boards, where the weight is proportioned is very important with freeride boards.

Windsurf Board Buying Guide - Windsurfing for Beginners ...

Windsurfing is a surface water sport that is a combination of surfing and sailing. It is also referred to as "sailboarding" and "boardsailing", and emerged in the early 1970s from the surf culture of California. Windsurfing had gained a following across North America by the late 1970s and had achieved significant global popularity by the 1980s. ...
