The term "New South African Wine" refers to the time after 1994 when democratic elections were epoch-changing in the country and freed from international restrictions the country's wine producers needed to help re-educate the wine world about a wine that had often been forgotten. Despite its past glories and heritage there was a bit of an ...

### Wines of the New South Africa: Tradition and Revolution by ...

New South Wales wine is Australian wine produced in New South Wales, Australia. New South Wales is Australia's most populous state and its wine consumption far outpaces the region's wine production. The Hunter Valley, located 130 km north of Sydney, is the most well-known wine region but the majority of the state's production takes place in the Big Rivers zone-Perricoota, Riverina and along the Darling and Murray Rivers. The wines produced from the Big Rivers zone are largely used in box wine an

### New South Wales wine - Wikipedia

The most important egions of New South Wales are the Hunter, Upper and Lower, which are important because of their proximity to the city of Sydney. The strains of in New South Wales are, among whites, the Chardonnay, S\u00e9millon, Sauvignon and Riesling, to name but a few.
