Amazon.com: Word Matters: Teaching Phonics and Spelling in ...

Teaching literacy to some Autistic children depends on the ability of the child to shift from sight reading—in which words, like pictures, are recognized by their unique configurations—to an understanding that words are composed of letters representing sounds that, when blended in sequence, create a familiar spoken word (Miller & Hilliard, 2010). This shift from picture/words to phonics can be difficult for some children.
